The entire expense of locating a single warrant will not, in ordinary cases, exceed the sun of twelve collars; and when located the warrantee will receive a certificate of the location and an accurate map of the township in which the land lies together with a description of the quality of the soil, timber and water privileges, if any thereon. Persons out of the city upon inclowing their warrants to us for location will receive a receipt therefor by return mail, and when the location is perfected, will receive the certificates, maps, &c ; and we hold ourselves responsible for all variants so received. It will be readily perseived that the advantages to the warrante of an early location are two fold. Int. Choice of the selection of land. claimed is real we append the following certificates and notices:

"I have examined a number of Mr. Titton's improved Violins, have tried them in my orchestra, and have no hesitation in saying that his attachment is a most valuable improvement, giving a brilliancy and quality of tone hitherto only acquired by age."

Musical Director, Broadway Theater.

"Having had an opportunity of inspecting several of your improved Violins, at No. 12 Park place, I take great pleasure in saying that I consider them far superior to any instruments of their class I ever saw—indeed, Sir, I am astonished at the result of your invention," &c.

"The experiments be made here so far satisfied me as to induce me to permit him to attach the improvement to my fields. The result has greatly exceeded my expectations, &c.

"To estisfy our own mind we left with Mr. Titon an everlettent instrument, with full authority to use it as his own in testing the improvement. The violin is well known in this place, and all who have heard its aound declare that it has been benefited at least one hundred percent."

"We have no hesitation in predicting that this discovery will introduce a new era in the history of the instrument."

W. B. TILTON & CO., No. 18 Park-place, N. B.—Gentlement may have the Improvement attached to their Violins by leaving them with Mr. T. as above.
